Dear Sir/Madam:

**FACTUAL BACKGROUND**

1) A Notice of Allowance and Issue Fee Due was mailed by the U.S. Patent and Trademark Office on January 8, 2001, with a due date for payment of the Issue Fee identified on the Notice of Allowance as April 9, 2001. In addition, there was an outstanding Notice from the draftsman that new Formal Drawings were needed (document dated December 27, 1999).

2) Attorney for Applicant signed the transmittal documents for the Payment of the Issue Fee, provided a transmittal cover sheet for transmittal of the documents, submitted the formal documents with a transmittal sheet to the draftsman, authorized payment of the issue fee in a separate document, and included a return postcard identifying all of these documents.

3) All documents described in paragraph 2) above were mailed with a certification of mailing under 37 C.F.R. 1.8 with a mailing date of March 15, 2001.

4) The return postcard was returned to Attorney for Applicants with a date of receipt in the U.S. Patent and Trademark Office of March 19, 2001, which date is consistent with the mailing date of March 15, 2001, as March 17 and March 18 were a Saturday and a Sunday, respectively, when the US Patent and Trademark Office was closed.

5) On May 23, 2001, the U.S. Patent and Trademark Office mailed a Notice of Abandonment on the Application, indicating that Applicant failed to timely pay the required Issue Fee.

6) As the documents included with this Petition clearly shows that all formalities for Issuance of this Application were timely performed by Attorney for Applicants and timely received by the U.S. Patent and Trademark Office, the Abandonment of this Application is clearly in error, was inadvertent and/or unintentional, and was the result of error on the part of the U.S. Patent and Trademark Office, with no error or responsibility by Applicants or their counsel.

7) Applicants, through their Attorney of Record, hereby petition to have the Application issued as a U.S. Patent, and to have the Abandonment withdrawn.

8) There should be no fee imposed upon Applicants as the cause of the abandonment was without any fault on the part of Applicants or their Attorney of Record.

**IF ANY FEE IS DEEMED NECESSARY, APPLICANTS HEREBY AUTHORIZE SUCH FEE TO BE DEBITED AGAINST ATTORNEY'S DEPOSIT ACCOUNT NO. 50-1391.**

The other required by in this Application under the guideline 37 C.F.R. 1.37(b) constituted only the payment of the Issue Fee, and the submission of Formal Drawings, each of which was timely done as shown by the enclosed documents. As the issue fee has been paid already, the formal drawings have been submitted, and the substantive basis for this petition has been submitted, the Application should be urgently advanced to Issuance.

Applicants hereby petition to revive the application due to the fact that the delay in filing corrected formal drawings causing by the abandonment of the application was unintentional and/or inadvertent, and was the sole responsibility of the U.S. Patent and Trademark Office.

The contact person is invited to telephone Applicant's attorney (952) 832-9090 if necessary. **If necessary please charge any additional fees to Deposit Account No. 50-1391 for the petition for revive unintentional abandonment under 37 CFR 1.137(b).**

Respectfully submitted,

BHALAKIA et al.
